Directions: Please read each statement about a skill related to assessment, instruction, and/or intervention below, and then evaluate *YOUR* skill level within the context of working at a school/building level. Where indicated, rate your skill separately for academics (i.e., reading and math) and behavior. Please use the following response scale:

- ① = I do not have this skill at all (NS)
- ② = I have minimal skills in this area; need substantial support to use it (MnS)
- ③ = I have this skill, but still need some support to use it (SS)
- ④ = I can use this skill with little support (HS)
- ⑤ = I am highly skilled in this area and could teach others this skill (VHS)
