

*A Multi-Tiered  
System of Supports*

**Planning for Effective Leadership Characteristics and Critical Coaching Functions  
Guiding Questions**

*9<sup>th</sup> Annual International Conference on Positive Behavior Supports  
Atlanta, GA 3/17/2012*

**Context/Introduction:**

1. What are you particularly interested in learning about today?

---

---

2. What is your goal with regards to coaching/leadership and PBS/RtI?

---

---

3. What barriers or concerns are making it difficult to implement PBS/RtI at the site your site (brainstorm a list)?

---

---

**Leadership**

4. How does this model resonate with you?

---

---

5. What value does this model have potentially for your organization?

---

---

6. How would this model help you to reach your organizational goal(s)?

---

---

**Coaching**

7. How does this model resonate with you?

---

---

8. What value does this model have potentially for your organization?

---

---

9. How would this model help you to reach your goal(s)?

---

---

**Planning and Problem-Solving:**

10. What level of the system are you most invested in (school, district, state)?

---

11. What is your goal for improving the level of the system you are invested in?

---

---

12. What is the current status of the level of the system you are invested in with relation to the goal you identified in #11 above?

---

---

---

---
