

*A Multi-Tiered  
System of Supports*

## **Multi-Tiered System of Supports (Components)**

***MTSS is a framework to ensure successful education outcomes for ALL students by using a data-based problem solving process to provide, and evaluate the effectiveness of multiple tiers of integrated academic, behavior, and social-emotional instruction/intervention supports matched to student need in alignment with educational standards.***

*A Collaborative Partnership Between Florida's Problem Solving/Response to Intervention Project, Florida's Positive Behavior Support Project, and the Florida Department of Education*
