14:31:57 From Darla Croft : Good afternoon :-)

14:32:10 From Faye Reed to All panelists : Hi from Faye

14:32:10 From Kimberly Shumate to All panelists : Hi everyone!

14:32:12 From Gerald Darby to All panelists : Hello everyone.

14:32:16 From Emma Lawson to All panelists : Good afternoon everyone

14:32:25 From Olga M Alvarez to All panelists : Good afternoon

14:32:29 From Jana Petersel Raskin : Good afternoon, everyone!

14:33:00 From Jeffrey Stanford : Hello to everyone

14:33:04 From Pedro Moros to All panelists : Hello everyone.

14:33:07 From Marie Lombardi : HiMy name is Marie Lombardi from Bay County.

14:33:36 From Mona Ramirez to All panelists : Good afternoon! Mona Ramirez, PAEC-FDLRS, Washington Co.

14:36:21 From Janet Good to All panelists : Tony I see Stefanie her

14:36:24 From Janet Good to All panelists : here
14:36:29 From Janet Good to All panelists : Renovales
14:36:37 From Paula Sharpe to All panelists : Hey~ Paula Sharpe, Bay County
14:39:13 From Michelle Spencer to All panelists : Administration
14:39:14 From Thomas Hill to All panelists : School site principal
14:39:17 From Waunee Endsley to All panelists : Iâ€™m Waunee Endsley. Gen Ed
14:39:23 From Dr. Tony Dutra to All panelists : Stefanie Renovales has mic rights when you are ready
14:39:29 From Jennifer Hennessey to All panelists : ESE coordinator
14:39:32 From Jana Petersel Raskin to All panelists : Special Populations Director for a charter school management company
14:39:58 From Claudia Cruz to All panelists : ELL Resource Teacher
14:42:15 From Ashley Agro to All panelists : How are we suppose to address the issue of students not logging in at all?
14:42:38 From Ashley Agro to All panelists : Even after numerous attempts to make contact
14:42:51 From Daniel Norment to All panelists : Question for when it's appropriate: I'm in Palm Beach County and we're not allowed to use Zoom (although I prefer that to Google Meet which is full of bugs). What % of school districts in the state are utilizing zoom, any idea?
14:43:13 From Deidra Moreland to All panelists : Is my audio and video automatically turned off?
14:43:25 From Janet Good to Deidra Moreland, All Panelists : Yes, Deidra
14:43:41 From Janet Good to Deidra Moreland, All Panelists : It helps with bandwidth
14:44:01 From Deidra Moreland to All panelists : Ok thanks I wanted to make sure my background noise didn't disrupt the meeting
14:44:35 From Natasha Matos : I motivate kids by giving rewards for participating. I do a raffle and giveaway No HW passes, 5 pts of extra credit.
14:45:15 From Michelle Spencer to All panelists : utilizing parent missions and paras to call home
14:45:22 From Michelle Spencer to All panelists : parent liaisons
14:45:41 From Emma Lawson to All panelists : Microsoft TEAMS for our discussion and classes in Polk County.
14:45:42 From Janet Good to All panelists : Please be sure to put questions in the Q & A box
14:45:53 From William Struble : We are working with our SRDs and case workers to go talk to the students.
14:46:15 From Marie Lombardi : How do I add my name to my posts or speak if needed
14:46:21 From Lorena Williams to All panelists : I motivate my students by giving praise to students via Teams. I also give out electronic gift cards as a prize.
14:46:38 From Michelle Spencer to All panelists : we can see you Marie
14:46:39 From Stefanie Renovales to All panelists : When students don't log in we are referring to Social Work to follow up as part of attendance and also reaching out to other service providers (SLP, etc.) as sometimes parents are more willing to speak to one person rather than another person on the IEP team.

14:46:47 From Janna Harmon : I offer to get online with the students on google meet. This often has motivated the student to want to participate

14:46:55 From Emma Lawson to All panelists : We have created an attendance and check ticket each day.

14:47:05 From Faith Salters : I am constantly in contact with parents and many cases, I try to connect with the students. This is almost every other day. It has been difficult.

14:47:15 From Mona Ramirez to All panelists : PAEC also has districts who are not using type of online teaching at all.

14:47:16 From Jana Petersel Raskin : Asking our gen ed teacher counterparts to help families/students understand the importance of their ESE services and how they will help the student and not add to student's workload.

14:47:19 From David Cochrane to All panelists : Feel free to vet and share my new YouTube channel
<https://www.youtube.com/channel/UCEglX7502W2Jqv68YJJA1Pw>

14:47:25 From Dr. Tony Dutra to Shelby Robertson (Privately) : Stefanie Renovales has mic rights

14:47:29 From Dr. Tony Dutra to Shelby Robertson (Privately) : when ready

14:47:45 From Kimberly Shumate to All panelists : We have made a handful of home visits to chronic absenteeism.

14:47:45 From Elena Mestrels to All panelists : Using google voice and leaving messages there, the parents eventually appear.

14:47:58 From Olga M Alvarez to All panelists : I motivate students doing a raffle with Uber Eats for iReady and Mathia participation

14:48:01 From Jill Snelson to All panelists : Behavior techs have been able to continue some reinforcements used previously in the class. Also special reinforcers have been left as "porch pick-ups".

14:48:07 From Mona Ramirez to All panelists : We have them type their name and school in the chat.

14:48:22 From Natasha Matos : Gradebook, attendance? I print the Substitute attendance sheet and take attendance as people come in

14:48:36 From Mona Ramirez to All panelists : They can leave at any time even if they type in their names and schools.

14:48:52 From sally merrigan to All panelists : I give them extra points for showing up. So it's documented in the gradebook.

14:49:20 From Paula Sharpe to All panelists : I mark "present" students who are actively participating in daily assignments and correspondence~

14:49:36 From Janet Good to Dr. Tony Dutra (Privately) : Tow people have their hands raised

14:49:55 From Dr. Tony Dutra to All panelists : want mic rights?

14:49:58 From Dr. Tony Dutra to All panelists : for them?

14:50:06 From Janet Good to Dr. Tony Dutra (Privately) : sure

14:50:11 From Natasha Matos : If I see the students are struggling, I re-teach the lesson rather than moving forward.

14:50:28 From Mona Ramirez to All panelists : Meeting with students in small groups is another way to give students extra help.

14:50:31 From Janet Good to Dr. Tony Dutra (Privately) : Ask them what they want

14:50:34 From Stefanie Renovales to All panelists : Love the peer idea!

14:50:35 From Dr. Tony Dutra to Janet Good (Privately) : They are ready

14:50:35 From Shelby Koltes : I have made youtube videos of myself teaching. My students feel that they understand better when I am able to explain it like they are use to in the classroom

14:50:42 From Laura Ogdie : My PARA is GRADING work and posting for me

14:50:43 From Kimberly Shumate to All panelists : We are using screen sharing capability with Google Chats/Classroom functionality.

14:50:48 From Jennifer Castaneda : I add Khan Academy videos to my LMS classroom that support the topics that they are working on each week.

14:51:11 From Janice Rausch to All panelists : yes and Iâ€™m some of the platforms there are breakout rooms where patas could be there to work with strugglers

14:51:11 From Faith Salters : I have set up private BBB conferences with parents and students by appointment outside of virtual office hours.

14:51:14 From Natasha Matos : That's a good idea Jennifer

14:51:35 From Paula Sharpe to All panelists : All learning videos I've researched for each Module are posted on student CANVAS accounts ~

14:51:41 From Jill Bailey : We are using Algebra Nation and Khan Academy as additional support. The students can follow along and work in their workbooks with the video instructor as well.

14:51:44 From Shirley Crowley to All panelists : instead of students responding in writing, we are allowing students to send their responses â€œorallyâ€ through media files

14:51:45 From Danella Escobar to All panelists : Creating a SWAY or Nearpod and posting it in the teams allows studnets to be able to go back to the lessons and view over and over as needed when working. In addition, including a Flipgrid os useful for students with accommodations as an alternative way of assessment.

14:51:52 From Alicia Miller : loom.com is a nice recording software I have been using to pre-record lessons

14:51:58 From Darla Croft : We offer office hours for students to contact teachers for the extra support

14:52:00 From Emma Lawson to All panelists : From: Emma G. LawsonOur teachers and paras are joining together to help with our bi-lingual students to help with visual presentation for our students and parents.

14:52:06 From David Cochrane to All panelists : I'm pairing up with my biology colleague to deliver interdisciplinary content and enhance our UDL

14:52:11 From heidi lefevre to All panelists : I do also offer meetings that are flexible with my daily office hours. if

14:52:20 From Mona Ramirez to All panelists : Having additional Zoom sessions with special learners.

14:53:07 From Lynne Belliveau to All panelists : CPalms has great student interactives

14:53:11 From Janet Good to Elena Mestrels.n, All Panelists : Hi Elena do you want to speak at this time?

14:53:18 From Kimberly Shumate to All panelists : Edulastic (free) is fabulous for Math assignments.

14:53:42 From Desirae George : CommonLit

14:53:42 From Shelby Koltes : Google forms is super easy to navigate for students

14:53:45 From Kelly Filipic : Classkick

14:53:47 From Olga M Alvarez to All panelists : Khan Academy videos and quizzes

14:53:52 From Lourdes Sotolongo : Desmos is a wonderful resource
14:53:54 From Deidra Moreland : Edulastic is great
14:53:57 From Natasha Matos : Since a lot of my kids cheat by using some math program, I create projects.
14:54:06 From Natasha Matos : I love google forms
14:54:09 From Kendra Morgan to All panelists : MobyMax
14:54:10 From Casey Blanton to All panelists : Being available in the evenings a couple times a week for parents that work during our school hours.
14:54:13 From Melinda George to All panelists : SeeSaw is a good place to collect reflections
14:54:13 From Lynne Belliveau : Cpalms has great student interactives that end with a certificate
14:54:14 From Emma Lawson to All panelists : Emma G. Lawson Edgenuity, Freckles, Go Math
14:54:21 From vanessa gollnick : ALEKS
14:55:03 From Casey Blanton to All panelists : Class Dojo
14:55:12 From Casey Blanton to All panelists : Edmodo
14:55:12 From Stefanie Renovales to All panelists : SeeSaw
14:55:13 From Olga M Alvarez to All panelists : Microsoft Teams
14:55:15 From Stefanie Renovales to All panelists : Class Tag
14:55:21 From Mollie Bongiovi : ClassTag
14:55:28 From Shelby Koltres : my parents respond best to simple texting
14:55:33 From Natasha Matos : Janet, your bedroom is pretty btw
14:55:37 From Paula Sharpe to All panelists : I use FOCUS Messenger to push out all assignments~
14:55:48 From Janet Good : Thank you Natasha
14:56:10 From Paula Sharpe to All panelists : Also, Google VOICE to reach parents whose students are not participating or are having particular struggles.
14:56:32 From Janice Rausch : ooh I like that.
14:56:36 From Olga M Alvarez to All panelists : Groups chart through WhatsApp
14:56:37 From Kelly Higgins to All panelists : My school district uses Jabber
14:57:09 From Shirley Etienne : Freckles is an on-line program that replaced Tenmarks. Freckles by Renaissance is a free program.
14:57:47 From David Cochrane to All panelists :
www.emathinstruction.com
14:58:17 From Mona Ramirez to All panelists : The free NLVM site is great for manipulatives.
14:59:02 From Gregory Ennen to All panelists : When typing into the "Chat"™ box, please be sure to select "All panelists and attendees"™ option so everyone can see you comments.
14:59:20 From Gregory Ennen : When typing into the "Chat"™ box, please be sure to select "All panelists and attendees"™ option so everyone can see you comments.
14:59:34 From Janet Good : From David Cochrane.
www.emathinstruction.com
14:59:38 From Stefanie Renovales to All panelists : Math Mod
14:59:40 From Stefanie Renovales to All panelists : Panther Paper
14:59:52 From Janice Rausch : text help has math editor. students can use speech to text and it makes formulas

15:00:48 From Dr. Tony Dutra to Janet Good (Privately) : Olga on line
15:00:52 From Dorian Pedraja to All panelists : I use a USB graphic tablet/pen to work through math problems
15:01:00 From Tara Jeffs : I love Text Help EQUATIO!!
15:01:25 From Janice Rausch : scaffolded worksheets. so for emerging theyâ€™d do step one...moderate steps 1-3 and advanced steps 1-5
15:01:33 From heidi lefevre to All panelists : zoom one on one, paper copies, cutting down workload for the student.
15:01:34 From Janet Good : From Dorian Pedraja. I use a USB graphic tablet/pen to work through math problems
15:01:47 From Paula Sharpe : The learning videos for each Module are posted in CANVAS and students are to view once, then view again, taking meaningful notes...
15:01:59 From Angela Gass : I have students use the draw tool on nearpod for students to work through problems.
15:02:10 From Kimberly Shumate : We differentiate with the amount of teacher support and the type of assignments (scaffolded).
15:02:13 From Shelby Koltes : Microsoft teams has a tab where you can upload files like reference sheets
15:02:29 From Emma Lawson to All panelists : Emma G. Lawson We are having classes develop for students who need more help and time, and classes for one-to-one for students who do not feel comfortable speaking opening.
15:02:46 From Janet Good to David Cochrane, All Panelists : Would you like to share on the mic?
15:02:52 From Deidra Moreland : Are we going to get an email with the info provided in here?
15:03:21 From Janet Good : Yes, recording and powerpoint will be posted on the PS/RtI website
15:03:49 From Deidra Moreland : ok thanks
15:04:01 From Emma Lawson to All panelists : EGLawson Drawing problems on whiteboards
15:04:17 From Jacklyn Banalewicz to All panelists : GeoGebra! for manipulative. I have recording myself manipulate and talk about what I am doing and how it is working.
15:04:35 From Waunee Endsley to All panelists : A colleague modeled cross sections with TikTok. And her kids shared their cross sections the same way.
15:04:37 From vanessa gollnick : EdPuzzle
15:04:44 From Edna Flores to All panelists : I use you tube videos that model different minipulatives
15:05:32 From Lynne Belliveau : What is the typical length of your videos, David? Others?
15:05:48 From vanessa gollnick : 5 minutes
15:05:54 From Shelby Koltes : Mine have been between 4- 6
15:05:55 From Mona Ramirez to All panelists : Will you please save and share the Chat with us?
15:06:04 From Mona Ramirez to All panelists : Thank you.
15:06:06 From Emma Lawson to All panelists : Very short no more than 3 to 4 mins.
15:06:09 From Jane Frazier to All panelists : 10 minutes for math and ELA
15:06:15 From Pamela Harris to All panelists : My videos are 5 minutes.

Some lessons do have multiple 5 minutes lessons.

15:06:32 From Daniel Norment to All panelists : My videos of going through lessons I've assigned (usually I do 50-75% of the problems and leave them the rest to do on their own) usually go from 12-20 minutes. (It's amazing how much I can get through without any disruptions!)

15:06:42 From Janice Rausch : Janice rausch. depending on the age level 5-15 is best developmentally. better to do a few short videos than one long.

15:06:47 From Rhonda Cunningham : Some of our teachers like myself use study island in conjunction with Google classroom. I upload youtube videos in Google classroom and then assigned study island lessons. Study island is online platform to do math problems for all math lessons K-12.

15:06:55 From Kimberly Shumate : Our guidance to all our Middle School Math teachers was no longer than 15 minutes

15:07:05 From Mona Ramirez to All panelists : Research says shorter videos are better.

15:07:07 From Gina AbdAlmalak to All panelists : I use PPT slides, I record each slide, writing on each, then save it as Mp4

15:07:23 From Deidra Moreland : We use Google Classroom and Study Island also

15:07:48 From Olga M Alvarez to All panelists : I will use all my videos next school year

15:07:52 From Kendra Morgan : We are using hyperdocs (shared Google Docs) that has links to all of our resources (slides, PDF notes, videos, etc.)

15:07:54 From Janice Rausch : also in Schoology you can give control over to the students to do the next step.

15:08:30 From Waunee Endsley to All panelists : Shotcut is a free video editing tool that can help if you are like me and have a hard time getting the video the way you want it first time around.

15:09:16 From Natasha Matos : Mon & Fri, I dedicate to grading and lesson planning, Tues-Thurs, I'm on Zoom helping students and having them re-take quizzes

15:09:32 From Natasha Matos : during office hours of course

15:09:51 From Janice Rausch : work due on two days 1 day catch up office hours for help.

15:09:58 From David Cochrane to All panelists : We are required to check in with all of our Period 2 students every week to monitor student progress and reach out to families in need of other things

15:10:07 From Jennifer Saunders to All panelists : I add a loom videos to Planbook to go with each lesson then schedule video chats with students through teams to go over questions they have.

15:10:22 From Deidra Moreland : Be sure to not overwhelm students with loads of work

15:10:28 From Emma Lawson to All panelists : EGLawson Telephone calls; texting

15:10:38 From Olga M Alvarez to All panelists : Constant communication with parents and students

15:10:45 From Jana Petersel Raskin : Creating for the student or helping the student to create a daily schedule for the student to help the student best organize time and school responsibilities, as well as time for fun.

15:10:47 From Janice Rausch : our superintendent said Grace over Grades

15:10:48 From Deidra Moreland : Once overwhelmed they shut down and do nothing

15:10:50 From Kimberly Shumate : Yes, Deidra and show grace and mercy to all.

15:10:58 From Deidra Moreland : absolutely

15:11:14 From Mona Ramirez to All panelists : Be Compassionate!

15:11:22 From Edna Flores to All panelists : We have an attendance question of the day in google classroom. I have started asking questions like "what is your current grade in FOCUS?" or "Where are you at in Edgenuity?" This forces students to actually take notice of where they are at.

15:11:53 From Kimberly Shumate : Janice, I love that "Grace over Grades"

15:12:13 From Olga M Alvarez to All panelists : Record and post zoom meetings

15:12:20 From Deidra Moreland : I had one of my awesome students not do any work. When reaching out to the student I found out that her parent is a nurse and she is scared that her parent wont return so she is unable to focus

15:12:20 From Kimberly Shumate : Edulastic has a feature for that

15:12:20 From Jennifer Castaneda : schoology has a lockdown browser option

15:12:25 From Lynne Belliveau : They are learning from one more resource.

15:12:35 From Janice Rausch : for iPads guided access. and yes Schoology...

15:12:38 From vanessa gollnick : Go Guardian

15:12:49 From Natasha Matos : yaaaas

15:12:54 From Olga M Alvarez to All panelists : Khan Academy is great

15:13:22 From Jennifer Castaneda : Encourage them that the material they need to know for the next grade level.

15:13:30 From Natasha Matos : TY, guys.

15:13:39 From Deidra Moreland : yes relationships is key

15:13:44 From Daniel Norment to All panelists : Our principal is kind enough to give us flexibility with our classes. So with my two preps (7th and 8th grade math), I am available upon request for livestream tutoring for my 8th graders from 10-10:40 everyday, and my 7th graders from 10:50-11:30 everyday. Then, I'm also livestreaming with my 8th graders for 40 minutes every afternoon and my 7th graders afterwards. 95% of the students that do these optional streams are there just to talk to each other- which is fine! Because with my assignments, I now join them with 15-20 minute records of going over the lesson.

15:14:01 From vanessa gollnick : Screencastomatic

15:14:03 From Jennifer Castaneda : Screencastify will record your screen with PPT up

15:14:07 From Olga M Alvarez to All panelists : Students need to understand that they need to be ready for next grade level

15:14:28 From Elena Mestrels.n to All panelists : I can answer how to record a power point.

15:14:32 From Jacklyn Banalewicz to All panelists : loom & google meet are good for screen recording. I prefer loom.

15:14:32 From Emma Lawson to All panelists : EGLawson Keep the students engaged with online school spirit activities

15:14:43 From Julian Andrade to All panelists : I try to create assignments where They have the option to interact with their siblings

15:14:50 From Elaine Centeno to All panelists : DR?

15:14:52 From David Cochrane : We need to fundamentally build intrinsic motivation, especially for times like these.

15:15:01 From Janice Rausch : our deans check in and sometimes giving them a job. checking others in. participation grades.

15:15:27 From Elaine Centeno to All panelists : you can record per slide in ppt

15:15:36 From Kimberly Shumate : It can also be done on MS Teams (STREAM)

15:15:40 From Alicia Miller : On PowerPoint, Click on the slides tab and then you can record the slides and include your camera and audio or just audio

15:15:50 From Shirley Etienne : I use You tube videos. How do you cut out ads?

15:16:32 From Janet Good : Chat box, power point and recording will be posted and shared.

15:16:37 From Waunee Endsley to All panelists : use 4K downloaded. adjust the video in the advanced panel to cut out ads before downloading

15:16:50 From Janice Rausch : yes keep it wacky! they love to roll their eyes and laugh at us.

15:17:36 From Janet Good to All panelists : Can anyone type the answer to Natasha's question in the Q & A box?

15:18:16 From Girlande English to All panelists : Thank you and I appreciate the abundance of shared strategies. Would it be possible to get a copy of the webinar forwarded via email? I logged on using phone and features aren't as easily accessible.

15:18:44 From Janet Good to Girlande English, All Panelists : Please provide your email address

15:18:51 From Natasha Matos : I agree with Janice

15:19:18 From Dr. Tony Dutra to All panelists : we have a about 11 minutes left

15:19:26 From Waunee Endsley to All panelists : 4K downloaded is what I meant to put

15:19:27 From Janet Good to All panelists : Thank you Tony

15:19:33 From Waunee Endsley to All panelists : downloader

15:19:52 From Tara Jeffs : Google Forms lock down browser video <https://www.youtube.com/watch?v=nzIk-WKqDIs>

15:20:11 From Natasha Matos : got it, ty

15:20:28 From Rhonda Cunningham : Will you please email attendees this powerpoint or have it available?

15:20:54 From David Cochrane : Love the basketball dribbling rate question. This year my kiddos made videos of dropping tennis balls and created geometric sequences.

15:20:55 From Janet Good : Powerpoint, Chatbox and video will be posted on the PS/RtI website

15:21:20 From Janice Rausch to All panelists : I love real world math. love it!!!! compare contrast sizes of mammals and a bus with side walk chalk.an orca is < than a bus. a bus < blue whale

15:23:13 From Lynne Belliveau : There is a student interactive for MS grade levels that links statistics and Corona Virus on CPalms

15:23:16 From Tara Jeffs : Math Tools on the TLC-Mtss Website

<https://at-udl.com/tools/math/>

15:25:40 From Janice Rausch to All panelists : great tools and collaboration. love this!

15:26:31 From Waunee Endsley to All panelists : Code.org has some Algebra

15:27:21 From Deidra Moreland : Can it be emailed to the people that have registered

15:27:23 From Girlande English to All panelists :
girlande.english@palmbeachschools.org

15:27:49 From Casey Nelson : thank you!

15:27:51 From Natasha Matos : Thank you so much! This was super helpful!

15:27:58 From Casey Blanton to All panelists : Thank you.

15:28:01 From heidi lefevre to All panelists : thank you

15:28:02 From Waunee Endsley to All panelists : Thank you for this!

15:28:03 From Cynthia Holland to All panelists : Will this session appear on My Learning Plan in the portal?

15:28:03 From Shameka Mitchell : Thank you!
