15:45:40 From Tara Jeffs : Hmm, ideas on standard driven math assessment performance!

15:53:29 From Tara Jeffs : Math goals identified?Courtney Gammad shares-
Yes. The goal reads “ To improve student math achievement using Florida Standard Based Instruction” More specifically, the goal is to improve 9th grade Algebra 1 scores by 7 percentages points as measured by the FSA, improve Geometry scores by 5 percentage points as measured by FSA, and improve math learning gains by at least 5 percentage points

15:59:06 From Stephanie Walters : Stephanie Walters

16:01:40 From Tara Jeffs : I love the GatorAid program idea!!Reserach shows peer. Tutoring works!

16:02:13 From Tara Jeffs : peer-tutoring

16:10:13 From Tara Jeffs : Do you have opportunities for planning together
?Put yes or No here in the chat

16:10:31 From Sean Strickland : Yes

16:10:40 From Misty Wood : that is a tricky question.....our teachers do not
teach the same math course

16:10:56 From Christine Strickler : varies based on campus and course

16:11:25 From Tara Jeffs : Great feedback— what about the rest of you?

16:11:35 From Katie.Jenkins : No common planning at our middle school.

16:16:47 From Tara Jeffs : Fantastic idea Katie!!!
